Product Description

60° Beam Angle Indoor Smart LED Spotlights with 150LM AC85-265V Input Voltage

Indoor LED Spotlights are a great choice for indoor lighting applications. With a color temperature range of 3000K to 6000K, input voltage of AC85-265V, a beam angle of 120° and a luminous flux of 150LM, these spotlights provide a bright and welcoming light that works great in a variety of settings. The spotlights come with a two-year warranty, so you can rest assured that they will last. Whether you are looking for an accent light in a room or a bright light for a workspace, Indoor LED Spotlights are an excellent choice for any indoor lighting need.

Support lighting DIY

Support and Services:

Our Indoor LED Spotlights come with technical support and service for the life of the product.

Our team of engineers and technicians are available to provide support and answer any questions you may have about your product. We also offer a toll-free hotline where you can speak to a customer service representative for further assistance.

In addition, we offer a 12-month warranty on our Indoor LED Spotlights, giving you peace of mind that your product is covered if something goes wrong. If you need any repairs or replacements, we can cover these costs with our warranty.

We strive to provide reliable and efficient service, and we are always here to help you get the most out of your Indoor LED Spotlights.

Packing and Shipping:

Packaging and Shipping for Indoor LED Spotlights

The Indoor LED Spotlights will be packaged in a cardboard box which is specifically designed to keep the product safe during transportation and handling. Inside the box, the product is surrounded by foam or other cushioning material to protect it from any potential damages. After packaging, the box will be sealed with tape to ensure that it is securely closed.

The LED Spotlights will then be shipped using reliable and secure delivery services, such as FedEx or UPS. All orders will be shipped out as soon as possible after payment has been received. We will also provide tracking information so that customers can keep track of their orders.
