External portable LED bulb

Support and Services:

We provide technical support and services for our Outdoor LED Light Bulbs. Customers can contact us anytime if there is an issue with their product and we will respond quickly to resolve the issue.

We also offer a warranty for our products. If there is any defect or malfunction within the warranty period, we will replace the product free of charge.

Additionally, we provide maintenance and repair services for our Outdoor LED Light Bulbs. If a customer needs repair or maintenance, they can contact us and we will send a technician to their location.

Packing and Shipping:

Packaging and Shipping of Outdoor LED Light Bulbs

Outdoor LED light bulbs are packaged and shipped with extra care so they arrive safely and ready to use. The bulbs are individually boxed and securely packaged to protect them from damage during transport. They are then shipped in boxes or pallets to the customer's address. Depending on the customer's location, the bulbs may be shipped via ground, air, or sea transport. If the customer requires faster shipping, they can select an expedited shipping option.
